### **Fashion's Night Out with Vera Wang**

Retailers in 13 different countries kick off the first night of New York Fashion Week with [Fashion's Night Out](#), a global effort to promote the retail apparel industry and restore consumer confidence. Thursday, September 10th, [Vera Wang](#) will host events at both of her New York stores: Vera Wang on Mercer and the Vera Wang Bridal House.

Uptown at the Bridal House at 991 Madison Avenue, Vera will be joined by industry experts who will be sharing their expertise and artistry. From cake decorating with [Sylvia Weinstock](#), arranging flowers with [Michael George](#), and receiving nutritional advice from celebrity nutritionist [Oz Garcia](#), guests will rub elbows with top tier vendors...what else would you expect from Vera Wang? Oh, but there's more: [Vogue's](#) Special Events Director Sylvana Soto-Ward will provide wedding tips and advice, [Yves Durif](#) will consult and style hair and make-up, Exhale Spa specialists will perform express manicures, all while you sip Champagne compliments of [The Carlyle Hotel](#) and enjoy music courtesy of [Elan Artists](#). Raffle prizes include a 2-hour personal flower arranging lesson with Michael George, a 6 month consultation by Oz Garcia as well as a *Glow* treatment and *Mind Body* package from [Exhale Spa](#).

Remember to make your way downtown where Vera Wang will celebrate with *American Idol* judge Kara Dioguardi and other special guests at her ready-to-wear boutique located at 158 Mercer Street in SoHo. Vera herself will be offering advice and tips as she style guests. Pose for a priceless photo-opp with the designer in the "Studio Booth", while you sip the night's signature cocktail "Vera Vodka's". Hanging with Vera Wang is seriously a prize in itself, but giveaways of the night include [Vera Wang Lavender Label shoes](#), [Vera Wang Fine Papers stationery](#), [Vera Wang Rock Princess](#) and [Vera Wang sunwear](#). A big thanks to our friend's at Vera Wang for sharing this fabulous event with [Weddings Unveiled!](#)
